What are the Park Champions roles?

- On the day support for events at Queen Elizabeth Olympic Park
- Wayfinding
- Welcoming and greeting visitors, which includes sharing extensive knowledge and enthusiasm for the Park, its layout, location of facilities etc
- Customer services roles
- Customer welfare
- Assisting your customers with accessibility needs
- Specific event support roles as required

Please note that if you have other role requirements, we can discuss this individually to ensure that volunteers meet your needs.

Why use the Park Champions?

- Park Champions event volunteers are experienced, trained, passionate and knowledgeable.
- They have been specifically trained to meet the requirements of Park visitors and to support event organisers on event days.
- Park Champions have extensive knowledge of the Park and the surrounding areas leading to the Park such as Westfield Stratford City, transport hubs and high footfall areas which visitors to the Park pass through on their way to and from events.
- Other landowners (e.g. Westfield, station managers, other transport hubs) are happy to allow Queen Elizabeth Olympic Park's volunteers to have a presence on routes to the Park offering a warm welcome to people passing through on their way to events.
- All health and safety requirements have been accounted for as part of the volunteer provision including:
 - Role specific training
 - Volunteer health and safety
 - Codes of Conduct
 - Team Leaders (who have additional training including: First Aid, Managing a Team and Welcome All disability awareness)
 - Uniforms
 - Insurance cover (when managed directly by a member of the Volunteer Team)

"I want to personally thank each and every one of you for a fantastic service to both the Park & Stadium visitors on Saturday. Each of you made a difference in the warm welcome each fan and visitor received and the help you provided them on their onward journey, either to their seat or to another destination in the park. Great job everyone!"

Managing Park Champions

- Park Champions are managed by Our Parklife on behalf of the Park.
- Park Champions have a specific uniform which is easily recognisable and identifies them as Park Volunteers.
- Members of paid staff are available to manage the volunteers on the day for larger events and will oversee all correspondence and briefings with them before and after the event day. For smaller events volunteers can be recruited and briefed in advance but managed as part of the event organisers team on the day.
- Refreshments and travel expenses should be covered by the event organiser at £18 per head.

N.b. If an event organiser doesn't have their own catering arrangements food/refreshments can be negotiated. There are a number of options available including packed lunches, a voucher system which can be used at certain Park cafes and the option to include volunteers in the wider 'crew' catering that may be organised for other event staff.

What we ask from you

- To give us at least **6 weeks-notice** of volunteer requirements in advance of your event. We cannot guarantee volunteers unless we have ample notice. Additionally, it is important to respect the Park Champions, giving them enough time to factor dates into their diaries. This is best practice when engaging with volunteers as they shouldn't be an after-thought but a key component of your event. This gives us time to ensure that the volunteers have adequate welfare and the roles we provide are both meaningful and rewarding.
- Think carefully about the roles you are hoping to offer to Park Champions, think of it from the volunteers' perspective! **Will they really feel part of your event team? Is the role challenging, rewarding, using their skills and fun?**
- Inform us of volunteers you are using as part of your event who are NOT Park Champions.
- If you are directly managing volunteers on your event you must ensure you have the appropriate **insurances** in place for volunteers.
- Volunteer roles are seen as advantageous in supporting the work of paid staff but not replacing them.
- Keep us updated on any changes to your initial requests and be aware that last minute changes may not be possible, though we will try our best.
- We expect to be notified in advance if there are likely to be any changes to rotas, volunteer requests etc so that we can notify Park Champions accordingly.
- The detail of shifts and volunteer roles have been designed and agreed with Our Parklife.
- Once you have been provided with the contact details for your team of volunteers, you must copy us in all your communication with them so that we are aware and can answer any questions they might have.
- Volunteers to be able to wear their **Park Champions uniforms** when volunteering.
- To work with Our Parklife to ensure that the welfare of the volunteers is always considered.
- To consider volunteers' health and safety at all times and to only request that they perform volunteer duties as agreed with Our Parklife. This is to ensure that volunteers are not replacing the requirements for paid staff or not doing something that might be risking their health and safety and not covered by insurance.
- As a minimum cover the **welfare** of each volunteer, this is a cost of approximately £18 per head to cover refreshments and a contribution to travel.
- Are there any 'perks' you can offer a volunteer as part of a thank you? Tickets, memorabilia, merchandise, vouchers?
- That you comply with the General Data Protection Regulations, processing personal data safely and not holding our volunteers' data once the event has taken place.
